

CERTIFIKAT

No. SC0589-13

Composite wood products

Holder/Issued to/Manufacturer

VMG Industry, Veynyansky village executive committee, 16, BY-213105, Mogilev district, Mogilev region, Belarus

Manufacturing plant

See above.

Products and CARB emission standard

Particleboard, thickness 12-14 mm - Phase 2
Particleboard, thickness 15-40 mm - Phase 2
Plywood, thickness 20-25 mm - Phase 2

Certificate

The products described above fulfil the requirements in respect of formaldehyde emissions according to the requirements set out in the California Air Resources Board Regulation: § 93120 Airborne Toxic Control Measure to Reduce Formaldehyde Emissions from Composite Wood Products.

Marking

Each product or bundle covered by this certificate and complying with the requirements may be marked with a label or similar. The label shall contain the information specified in the regulation § 93120, and shall also include SPs, by ARB assigned, number as a third party certifier: **TPC-13**

In addition, the manufacturer shall include, on the bill of lading or invoice, the approval number above and a statement that the product complies with the applicable phase 1 or 2 emission standard specified in section 93.120(a).

Validity

This certificate is valid until not later than 5th September 2018.

Miscellaneous

The manufacturers own inspection procedures including small scale testing are under surveillance by SP. This is the third, extended, issue of this certificate. The original certificate was issued on 5th September 2013.
